

MEASUREMENT GUIDE

FRONT BODY

- BUST:** Measure your bust at the widest point, ensuring that the tape measure is level all the way around.
- WAIST:** Measure your waist at your natural waistline, which is where the tape measure wants to sit.
- HIP:** Measure your hip at the widest point, ensuring that the tape measure is level all the way.

BACK BODY

- NAPE TO WAIST:** Measure from the nape of your neck, positioning the tape measure down the centre of your back, to your waist.
- NAPE TO KNEE:** Measure from the nape of your neck, positioning the tape measure down the centre of your back, to the back of your knee or wherever you want your dress to finish.
- WAIST TO KNEE:** Measure from your waist to the back of your knee or wherever you want your dress to finish. Position the tape measure at the centre of your back.
- WAIST TO FLOOR:** Measure from your waist to the floor, positioning the tape measure at the centre of your back, wearing the heel height you intend to wear on the night.
